About Me

2019 - 2020

Hi, I'm Kaung Khant Soe, a Full Stack Developer with expertise in React, Laravel, MySQL, and JavaScript. I started my coding journey in 2022, working on projects like React-based e-commerce apps and a Python Telegram bot.

Currently, I'm pursuing a Bachelor's in Computer Science at University of the People and building real-world projects during weekends. I'm passionate about creating impactful, scalable web solutions. My expected salary is 400000 - 500000 kyats.
